

Nexterra

Company Announcement

A Nexterra Company

Team,

We are pleased to share that Paula Driver has officially accepted the role of Accounting Lead at GETSCO.

Paula has been a valued member of the GETSCO team since 2023 and brings strong experience across accounting, accounts receivable, HR administration, and financial operations. In her new role, she will oversee key accounting functions, support financial accuracy and reporting, and help drive continued improvements in processes and operational efficiency.

Throughout her time with GETSCO, Paula has demonstrated a strong commitment to detail, accountability, and team support. Her knowledge of the business and collaborative approach position her well to help strengthen and advance the accounting function.

Paula has already begun serving in her new capacity, and we are excited to see the positive impact she will continue to make for GETSCO and across the broader Nexterra platform.

Please join us in congratulating Paula on this well-earned appointment.

Thank you,

Turner
